POLYJET CELLULOSIC THINNER

TECHNICAL INFORMATION FORM

PRODUCT DESCRIPTION

It can be used at thinning cellulosic primers and in cleaning application tools.

FEATURES

This is a special thinner that is designed to thin cellulose-based primers and cleaning application tools. Not recommended for use in topcoat products.

USE

This is a special thinner that is designed to thin cellulose-based primers.

- When applying, proper aeration conditions and safety warnings must be accurately considered.

		Standard
Color	clear transparent	-
Density (g / ml, 20 ° C)	0,83-0,87	ASTM D1475
Flash Point (º C)	8,5°C	ASTM D 93
TS 9720		

STORAGE AND PACKING INFORMATION

Packaging Information	12 L, 14 kg
Storage conditions	Store between 5-30°C in sealed packages away from direct sunlight. Keep the packaging closed when not in use. Protect from frost.
Shelf life	3 years

HEALTH & SAFETY INFORMATION

Take into account the hazards on the product packaging and the warnings indicated in the precautionary statements.
The rules in the product safety data sheet must be followed.
Please contact your nearest health facility for unexpected health problems.

DECLARATION OF LIABILITY

The information and suggestions given to this technical bulletin were created in accordance with the experience of "Polisan Kansai Paint" Laboratories and systematically collected field applications. "Police Kansai Paint" has the right to make changes in the products without notice when necessary. The information given above applies to the product on the date of publication. It is the user's responsibility to verify that this data sheet is current. The product must be used in accordance with the recommendations in the Technical data sheet. It is the obligation of the user to take all precautions to fulfill the specified requirements. The data on this technical data sheet is designed to give product performance explanations under specific test conditions for the product. Since the variables during implementation are an important factor in product performance, this information should serve as a general guide to the user. Any legal liability from "Police Kansai Dye" can not be accepted due to application-related problems not written here.
